## **Spiritual World of Nature: Natural Burial and Spirituality**

*September 25, 2017*

*2:00-3:00 PM*

*Conference Room*

**Natural Burial will be seen in a planetary and spiritual context. The definition, benefits, costs, legalities and history will be explained. Further insights from those present will be welcomed.**

**Participants will be introduced to Natural Burial cemeteries in the area. Resources for further individual study will also be shared. There will be time for questions and answers.**

**The presenter, Suzanne Moynihan, a School Sister of Notre Dame, has given numerous presentations about evolutionary spirituality, ecology and climate change. More recently, she worked with a group to initiate Natural Burial within this area for School Sisters of Notre Dame. She has studied the issue for eight years.**

**This event is handicap accessible. Registration is required.**
